## OUR JOURNEY SO FAR

Guruji's vision became life mission of the devotees and thus foundation stone of Brahmishi Bawra Narmada Vidyapeeth is laid. A midas touch of holy feet of guruji on the barren land became now the accomplishing place for the deprived and the long neglected area of this part of India.

Starting with just 10 students under one shade in 1998, has now taking shape of an ideal educational institution. The present campus is the tale telling story of struggle and dedication of the founders, donors and well wishers. Now 550+ students are being benefited by our school and this education centre is one of its kind in central India.

We further require expansion to fulfill need of the time and place.

This is a **Zero-Fee School** from nursery to Class XII and affiliated to state board of education.

We also have a Tribal Hostel which cater residential facilities to 50 students.

CHEQUES/DD Can be sent in the favour of  
**BRAHMRISHI MISSION SAMITI**
